"WHAT IS THE TEAOGA SQUARE PAVER PROGRAM?"

Teaoga Square is a natural hub of activity downtown and the focal point of Athens Borough, for residents and visitors alike. The Commemorative Paver Program was developed to raise funds for on-going additions and maintenance of the Square, as well as a way for the people of the area to become involved in this exciting community project, by making donations to the Teaoga Square Fund.

"WHAT IS A COMMEMORATIVE PAVER?"

A unique combination of brick and granite blocks are being used to pave the space. These "pavers" can be purchased to commemorate individuals, families, loved ones, friends, community groups, and civic-minded businesses.

"WHERE WILL MY PAVER BE PLACED?"

Unfortunately, we will not be able to accommodate special requests for location of your paver. However, all pavers will be placed within easy reach and viewing.

TEAOGA SQUARE COMMEMORATIVE PAVER PROGRAM

YES! I want to become part of the public walkway in Teaoga Square. My check is enclosed for the following paver type: (Use a separate form for each paver.)
